No. 146

WHEREAS, recent decisions by the Federal Communications Commission with respect to regulation in the telephone industry have raised serious questions relative to the long-term effect of increased competition on the cost of private telephone service for homeowners; and

WHEREAS, some industry officials predict that monthly rates for home phones could increase by as much as 75% because of the loss of higher revenue producing telephone services to independent equipment manufacturers and service companies; and

WHEREAS, at the same time, independent equipment manufacturers and service companies maintain that increased competition can result in lower cost and improved service to the consumer; and

WHEREAS, a Bill dealing with the question of competition versus regulation in the telephone industry known as the "Consumer Communications Reform Act of 1976" has been introduced recently in the Congress of the United States; and

WHEREAS, the question of competition versus regulation in the telephone industry is an admittedly complex one and deserves a full public hearing before decisions are made which can affect the cost and quality of phone service for all Americans; and

WHEREAS, numerous organizations and agencies across the nation, such as the Pennsylvania General Assembly, Philadelphia City Council, Pennsylvania Federation of Women's Clubs, International Brotherhood of Electrical Workers, Communications Workers of America and Pennsylvania Association of Older Persons, have called upon Congress to address this complicated and far-reaching issue.

THEREFORE, BE IT RESOLVED

That this Council hereby requests the Congress of the United States to hold public hearings on the proposed "Con-

sumer Communications Reform Act of 1976" as quickly as possible so all interested parties will have the opportunity to present their views; and

BE IT FURTHER RESOLVED

That certified copies of this Resolution be sent to the President Protempore of the Senate, the Senators from Pennsylvania, the Speaker of the House of Representatives and the Members of the House from Pittsburgh.

on the bonds a facsimile of the corpor-

ate seal of the City and the facsimile signature of the Mayor, and the City Controller is hereby authorized and directed to countersign manually each of said bonds and the City Treasurer shall countersign said bonds by causing a facsimile of his signature to be imprinted thereon. There shall also be affixed to each coupon attached thereto the facsimile signature of the City Controller. In case of the absence or disability of any such official, the bonds shall be signed by the City official authorized by law or by resolution of City Council to act in his place. The City Controller is hereby authorized and directed to deliver said bonds at his office to the purchaser or in such other place as the purchasers shall request, at the purchaser's expense, and receive payment therefor on behalf of the City after sale of the bonds in the manner required by law; provided, however, that said bonds shall not be sold for less than that stipulated in the successful bond bid with accrued interest to the date of delivery and payment.

SECTION 10. There is hereby levied and assessed upon all persons and property subject to taxation for City purposes an annual tax in each of the fiscal years that any Bonds of 1977, Series A and Series of 1977 A-II, remain outstanding, of so many mills as will yield amounts sufficient for the payment from time to time of the interest covenanted to be paid on said bonds and the principal thereof at maturity, which taxes shall be sufficient for and shall be applied exclusively to said debt service charges as the same shall from time to time become due and payable. The collection of said tax shall commence with the fiscal year 1978.

SECTION 11. The City of Pittsburgh covenants with the holders of each of said bonds, in compliance with Section 404 of the Local Government Unit Debt Act, that it will budget, appropriate and duly and punctually pay said interest and principal payments on said bonds at the times and places and in the manner stated in said bonds according to the true intent and meaning thereof, and for such budgeting, appropriation and payment, the City of Pittsburgh pledges its full faith, credit and taxing power.

This covenant shall be specifically enforceable.

SECTION 12. There is hereby established a separate sinking fund for the payment of the Series of 1977 A and A-II Bonds hereby authorized. All moneys realized from the taxes hereby levied and other general tax revenue moneys otherwise required shall be paid into said sinking funds and credited as required, and shall be applied exclusively to the payment of the principal of said bonds at maturity and interest and taxes thereon meanwhile, to which purpose they are hereby irrevocably pledged. There shall be deposited to the Series of 1977 A-II Sinking Fund, on or before June 1 of the years 1978 through 1985, inclusive, an amount sufficient to provide for the amortization of the Series of 1977 A-II Bonds in equal annual installments, which moneys shall be applied to the redemption of the Series of 1977 A-II Bonds upon tender by the holders thereof on a first come, first served basis. The City hereby covenants to make payments out of said sinking funds at such times and in such annual amounts as are sufficient for the payment of the interest and principal of the bonds as they become due. It is hereby authorized and directed that \$770,025.00 for the payment of interest due on the first two installments thereof under the terms of said bonds shall be deposited in said sinking funds from the proceeds of the sale of said bond issue and used for the payment of said interest. The moneys in said sinking fund may be invested at the direction of the City at any time, all in accordance with applicable law.

SECTION 13. The Mayor and City Controller are herewith authorized and directed to contract with Mellon Bank, N.A., for its services as the Sinking Fund Depositary and the Paying Agent for the bonds, at such annual charges as shall be reasonable for such services.

SECTION 14. The City Council herewith directs that the necessary documentation be filed with the Department of Community Affairs so that the non-electoral debt incurred hereunder may be approved as nonelectoral debt of the City. It is therefore hereby declared that

the net nonelectoral debt of the City to be incurred and permitted to be incurred hereunder shall be \$13,266,000, which together with all presently existing net debt of the City, will not be in excess of the constitutional limitations as set forth in the Local Government Unit Debt Act. The Mayor and the City Controller and the City Clerk are hereby authorized and directed to prepare, verify and file the necessary "Debt Statement" required by Section 410 of the Local Government Unit Debt Act, together with an "Application for Approval" of said indebtedness and the necessary filing fee of \$15.00, to the Department of Community Affairs, pursuant to and in conformity with the Local Government Unit Debt Act, as promptly as practicable, and to do and perform all other acts proper and necessary in connection therewith. Promptly upon receipt of the approvals from the Department of Community Affairs, the bonds in fully executed definitive form shall be delivered to the purchasers.

SECTION 15. All moneys derived from the sale of said bonds are hereby appropriated to the purposes herein stated, provided, however, that as permitted by Section 403(4) of the Local Government Unit Debt Act said purposes may be changed by resolution at any time.
